### Description of the Award

The mission of the Network of the National Library of Medicine (NNLM) is to advance the progress of medicine and improve the public's health by providing U.S. researchers, health professionals, public health workforce, educators, and the public with equal access to biomedical and health information resources and data. NNLM's main goals are to work through libraries and other members to support a highly trained workforce for biomedical and health information resources and data, improve health literacy through access to information. The NNLM Regional Medical Libraries (RMLs) and Offices rely upon partnerships with Network members to achieve these goals by providing training and funding for local outreach programs.

The award's primary aim is to focus on upgrading, replacing or adopting technologies that will increase access to health information, and/or strengthen communications and connectivity for health, i.e. infrastructure, and/or facilitate the acquisition of mobile technologies to assist health professionals in providing services at point of need. The programs are intended to help a variety of users and communities, and the health professionals who serve them, make the most effective use of information and decision-support resources that hold the promise of promoting healthy behaviors, preventing costly and debilitating illness, and improving health outcomes when disease occurs.

### Potential Project Ideas

Potential projects may include but are not limited to (this list is not meant to be all-inclusive):

- Acquire technologies (hardware, software, mobile technologies) to assist access to NLM databases and NNLM resources.

- Engaging a community for a healthy lifestyle, behavior change, or environment decision-making reflective of improved access to and understanding of health literacy skills (e.g., telehealth visits, community health fair, nutrition and physical activity program).

RML/Office staff are available for consultation and training on applicable NLM resources.

## Eligibility

- Must be a Network Member of the NNLM. Not a member yet? [Join now for free!](#)
- If you have questions, please reach out to [nnlm-region7@umassmed.edu](mailto:nnlm-region7@umassmed.edu).
- Organizations, in most cases, are only eligible to apply for awards from the Regional Medical Library that serves the state in which they operate in. Please contact the RML for further clarification.

## Application Submissions

### Overview

Applications must be submitted online. It is recommended that you use the following outline to draft your proposal, then submit online since you can't save and return to the form later.

### Required Attachments

- Project Proposal
- Budget Sheet ([template provided](#))
- Budget Justification ([example provided](#))

You also will attach and submit:

- Personnel CVs and resumes
- Letters of Institutional Commitment or Support, if applicable

### Project Proposal

- **Evidence of Need:** Provide a statement of how the project proposed will support the mission of NNLM, explain the need for the project, and describe the audience or population that will be reached through this project. Please clearly document the communities or local health information needs that this project will engage. When possible, support the stated need using data such as known needs assessments or statistics.
- **Project goals and objectives:** State the goal(s) and specific objectives(s) of the proposed project. Goals should align to the [NNLM Goals and Objectives](#). Please review the [National Evaluation Center \(NEC\)](#) resources for information on how to create evaluation plans and objectives.

- **Implementation:** Describe what will be done to meet project objectives and its rationale. Include tasks to be performed and who will perform them.
- **Schedule/Timeline:** Include a timeline for implementing the plan to meet objectives.
- **Evaluation Plan:** Describe how the project will measure success. Include data collection frequency, type of data to be collected, tools, and how data will be used or disseminated. Please review the [National Evaluation Center \(NEC\)](#) resources for information on how to create evaluation plans and objectives.
- **Publicity/Promotion:** Briefly describe how you intend to promote your project to the target population. Please specify which NLM resources or NNLM national initiatives will be utilized, how they will be promoted, and how they will be utilized throughout the project.
- **Continuity/Sustainability Plan:** Describe the activities that will sustain project services and/or communication to the targeted community beyond the cooperative agreement period.

## Budget

Awards are cost-reimbursable and are issued to the institution, not the individual. The budget sheet and justification can be uploaded in the attachments section of the online application. Budget fields will accept numbers only. Enter each amount to the nearest whole dollar. If a budget line is not applicable for your project, you may leave it blank. The budget estimate should be categorized by the following, as they apply:

- **Personnel:** Include (hourly rate X estimated hours) or (% time X annual salary) in the budget justification attachments or descriptions. Check with your RML/Office for specifics on personnel.
- **Specialized Equipment >\$5,000:** Quotes for items required such as computers and other equipment. Include quotes received or other pricing information in the budget attachment or as another attachment. For smaller equipment such as laptops, tablets, printers, etc. use the supply line.
- **Travel:** Estimates for travel. Include description and any quotes in the budget justification or as other attachment.
- **Other Direct Costs (examples)**
  - **Materials & Supplies:** Publication costs and other materials. Include description and any quotes in the attached budget or as other attachment. Examples include laptop, projector, printer, books for book kits, etc.
  - **Communications:** Media, publicity or other communication costs. Include description and any quotes in the attached budget or as other attachment.
  - **Reproduction:** Printing materials or other reproduction costs.
  - **Consultant Costs:** Estimated expenses from consultants, such as marketing firms or other agencies; submit the following information in your budget justification: name of consultant, description of work, hourly rate, total amount/not to exceed amount, and period of performance.
  - **Contractual Costs:** Estimated expenses for any outside services, such as graphic design, web development, etc. Submit the following information in your budget

justification: name of service provider, description of work, hourly rate, total amount/not to exceed amount, and period of performance.

- **Other:** Include description and any quotes in the attached budget or as other attachment.
- **Indirect Costs (IDC) or Facilities and Administrative (F&A) Costs:** Apply at your institution's non-research rate (or, if your institution has no negotiated rate, a 10% Modified Total Direct Cost (MTDC) can be applied if you wish to claim it). Indirect Costs need to be factored into your overall budget. The total budget cannot exceed the limit defined by the RML/Office you are applying to, including Indirect Costs.
- **Other Funding if Applicable:** Other funds that will be used to support the project should be specified. This includes matching funds, other grants, etc.
- **Funding restrictions:** Food, promotional items and furniture are not allowable expenses. Promotional items include but are not limited to: Clothing and commemorative items such as pens, mugs/cups, folders/folios, lanyards, and conference bags that are sometimes provided to visitors, employees, grantees, or conference attendees. Refer to the NIH Grants [Policy](#).

### **Application Review and Scoring Criteria**

Review and selection of proposals - reviewers selected by the RML The Review Committee is made up of Network members who represent the Region, public libraries, a variety of health science libraries, and community organizations. The Review Committee will make final recommendations for funding to the Associate/Executive Director of the RML. Applicants will receive a copy of reviewer comments along with a final decision regarding funding.

Scored Review Criteria: Scale: 1-95

The application will be scored in the following areas:

- **Significance (15 points max):** Application clearly explains the need for the project including demographic information about the target population or geographic area. Applicant effectively uses data (e.g., statistics, anecdotes, needs assessment) to demonstrate the project need. Application contributes to NNLM goals and objective.
- **Methodology/Approach (40 points max):** Does the statement show the logic and feasibility of the technical approach to reaching the target group or community? Are the types of outreach services provided for the target population appropriate, creative and cost-effective? Does the project plan demonstrate sustainability or the ability to provide lessons learned for future programs? Does the proposed project add value to other initiatives? Does the project use local partners? Does the proposal include a timeline or

implementation schedule for major events and activities? Does the program specify what NLM resources or NNLM national initiatives will be promoted and how they will be utilized throughout the project?

- **Evaluation (15 points max):** Is there an evaluation plan? Does the plan make sense given the goals and objectives? Is there a timeline and are individuals assigned responsibility for milestones or tasks? Are there other forms of evaluation that the project should consider or add? Is the plan thorough enough or feasible for the project?
- **Project Staff (15 points max):** Does the proposed personnel have experience in developing and conducting outreach and/or training programs in health information for patients, the public or health professionals. Do the proposed personnel have prior experience working with the target group? Is there evidence of institutional facilities and resources adequate to support the proposed programs. If applicable, do project partners bring experience to the project team?
- **Budget (10 points max):** Is the proposed budget within funding limits? Is the budget justification sound? Could budget items be eliminated or reduced without jeopardizing the project? Does it include money within allowable line items? Do they have line items that account for all the requested money?
- RML/Office staff and Network members will review and score applications using a standardized RFP scorecard.
- Reviewer score sheets and comments will be shared with the applicant. If further clarification is needed, the applicant will be given 1 week to submit more information.
- The RML/Office will provide a subaward agreement for all approved projects. All sub-awards are cost reimbursement. Line item invoices must be submitted for reimbursement of expenditures. Invoices may be sent monthly.
